

PARATRANSIT INC.

COVID-19 UPDATE

Paratransit, Inc. staff has been working closely with our partners to monitor the developments of COVID-19, better known as the Coronavirus. As an agency dedicated to mobility we understand the need to ensure that access remains available to our passengers so that they can prepare for and plan their activities and responsibilities. Yesterday, Governor Newsom issued a new Executive Order N-25-20 further enhancing State and Local Government's ability to respond to the COVID-19 Pandemic. Pursuant to the requirements and cautions contained in the executive order and in an effort to protect our passengers and clients, whom many are classified as at highest risk for exposure, the Paratransit, Inc. Board of Directors' meeting scheduled for March 16, 2020, has been cancelled. The format and timing for future meetings is yet to be determined but will be consistent with the guidelines contained in the Governor's order and with any other local directives which may be subsequently published.

Attached is a statement on the measures we are taking to ensure cleaning of the vehicles we operate. Similar efforts are being undertaken in each of the facilities we operate in. In addition, Paratransit management staff has been ensuring that all staff is provided with regular updates on the measures taken related to COVID-19. This includes email notifications, flyers and posting of CDC posters. We will continue to work together with State and Local authorities to ensure the safe delivery of services.
